162 Page Moodle Manual from @HowtoMoodle | MoodleNews While much of this information is available within the Moodle docs, this resource has helped to distill the information into one easy to access, free PDF that you can share with colleagues or just keep handy. Moodle User Guide - Lanka Education and Research Network 1 Creating a new Course A Teacher role can edit and add content to courses which have already been created. If you need to have a brand new course, you must either ask your admin to set up the blank course for you or else give you Course Creator privileges. MOODLE MANUAL Course Creator Essential - Official Portal Moodle can use SCORM packages as a content type (see SCORM module), or as a course format. Note: If you have a large SCORM object you want to use as an entire course, then you can select this course format and students will only be able to interact with the SCORM object, not the rest of the Moodle tools.

Moodle manual for Teachers And Trainers - EPOS Project ABOUT THIS DOCUMENT This manual is an edition reduced respect to the original document that was created for the Moodle.org community by Bryan C. Williams of remote-Learner.net, and is available under the Creative Commons Noncommercial copyright. Student Moodle Manual - Google Docs When you use a browser, like Chrome, it saves some information from websites in its cache and cookies. Clearing them fixes certain problems, like loading or formatting issues on sites. Moodle in English: Moodle Manual for teachers I also managed to download that PDF "PCC Moodle Instructor Manual". One problem I find with paper manuals (and PDFs) is that they are "static". Instruction manuals for online activities, sites, CMS, etc. should really be online too and dynamic, if only to keep up with potential changes in the online environment they are describing.
